Introduction

We are organising this run as part of the 21st anniversary celebrations for the Ardingly Vintage and Classic Vehicle Show. We will be meeting in the White Hart P.H. West Hoathly Toilet facilities and bacon butties will be available from 09.30am

Due to the anticipated entry numbers, the run will be split into 2 groups.

Group 1 is available to cars, motorcycles and light commercials and will be terminating at the Half Moon Public House in Warninglid. Car parking space and lunching facilities have been reserved for 50 vehicles. The planned route for this run has a 6'6" width limit in place, hence the size restriction. Larger vehicles can be catered for by arrangement.

Group 2 is open for any vehicle up to about the size of a 3 Tonner and will be a route departing from the White Hart and finishing in the Ashdown Forest.

If you would like to join us for this run, please complete the form overleaf.

Logistics

All vehicles must be in a road legal condition. It is your responsibility to ensure that your vehicle meets the requirements of the Road Traffic Act.

The organisers chosen charity this year is the St. John Ambulance.
